* As Imam Musa Al Kadhim (AS) was born on 7th Safar during the period of mourning for Imam Husain (AS), his Wiladat is celebrated on the 7th day of the 7th month (Rajab) which is known as Imam Musa Kadhim Day.

** The exact date of Lailatul Qadr (The night of Grandeur) in which the Holy Qur'an was sent down has not been disclosed. However the majority of the commentators agree it is one of the odd nights of the second half of Ramadhan.

*** The day on which tombs on the graves in Jannatul Baqi and Jannatul Mawla in Madina, Saudi Arabia, were destroyed by the late King Abdul Aziz ibne Saud in 1926.

Please also note that Nowrooz (First day of the Persian Calendar) falls on 21st March every year (or 20th March if a leap year).
