

Keep your community safe!

Ever wondered about the role of a firefighter? Cambridgeshire Fire and Rescue Service staff provide a vital community safety service responding to emergencies and delivering important fire safety advice to many different communities.

And we'd like **you** to think about joining us.

We will soon be recruiting firefighters and we're keen to promote a firefighting career to the thousands of black and Asian people living in our county. Why not come to one of our Have A Go events where you will be able to experience some of the practical activities prospective firefighters undertake during the selection process and find out more about the recruitment process and academic requirements. You will also get a chance to ask questions in an informal atmosphere and find out more about the development and career paths for firefighters.

We are running Have A Go events as detailed below and we think there will be something there for everyone.

Friday, January 29: 9am – 12.30pm (women only) **or** 1pm – 4.30pm

Saturday, January 30: 9am – 12.30pm **or** 1pm – 4.30pm (women only)

To book a place, ring 01480 444500 between January 4 - 15.

Our next recruitment campaign begins on February 6th so please see our website for more details. www.cambsfire.gov.uk
